Lansdale, Mark A. Bodmer, M.

## **Secret Agent Reunion (Mills & Boon Intrigue) (Mission: Impassioned, Book 2)**

While the 20th century saw the rapid rise of petroleum fuel as an alternative to steam power in daily life, one can also argue that the fundamental mindset of the 19th century and its dream of benevolent technology and progressive reason did not meet its end until the horrors of the First World War, further extending the period in question to around In all, nearly one hundred and twenty years of dynamic history can be regarded as inspiration for steampunk, and let there be no doubt that fashion enthusiasts make full use of the options set before. This book makes some very good arguments for the simplicity, cost, livability, and consideration for the planet that small homes bring.
