In a letter to C. After the erotic seraglio scenes in the sixth canto, he began to exhibit a new gravity. I blame a lack of clear editorial direction, and I suspect the editor in question would do likewise. Although Bakhtin applied his analysis of carnival to literature, it was grounded in concrete social practices that were part of his own cultural history. But everyone agrees that he travels through the sky on a sledge that is pulled by reindeer, that he comes into houses down the chimney at night and places presents for the children in socks or bags by their beds, in front of the family Christmas tree, or by the fire place.
